Description

2007 Azimut 68E is a fine example of Azimut 68 Evolution, a well know model for her interior and exterior volumes.

This model comes with the Big window on the sides. She can comfortably accommodate up to 8 guest in four spacious cabins all in en-suite facilities, plus 3 crew in separate quarters.

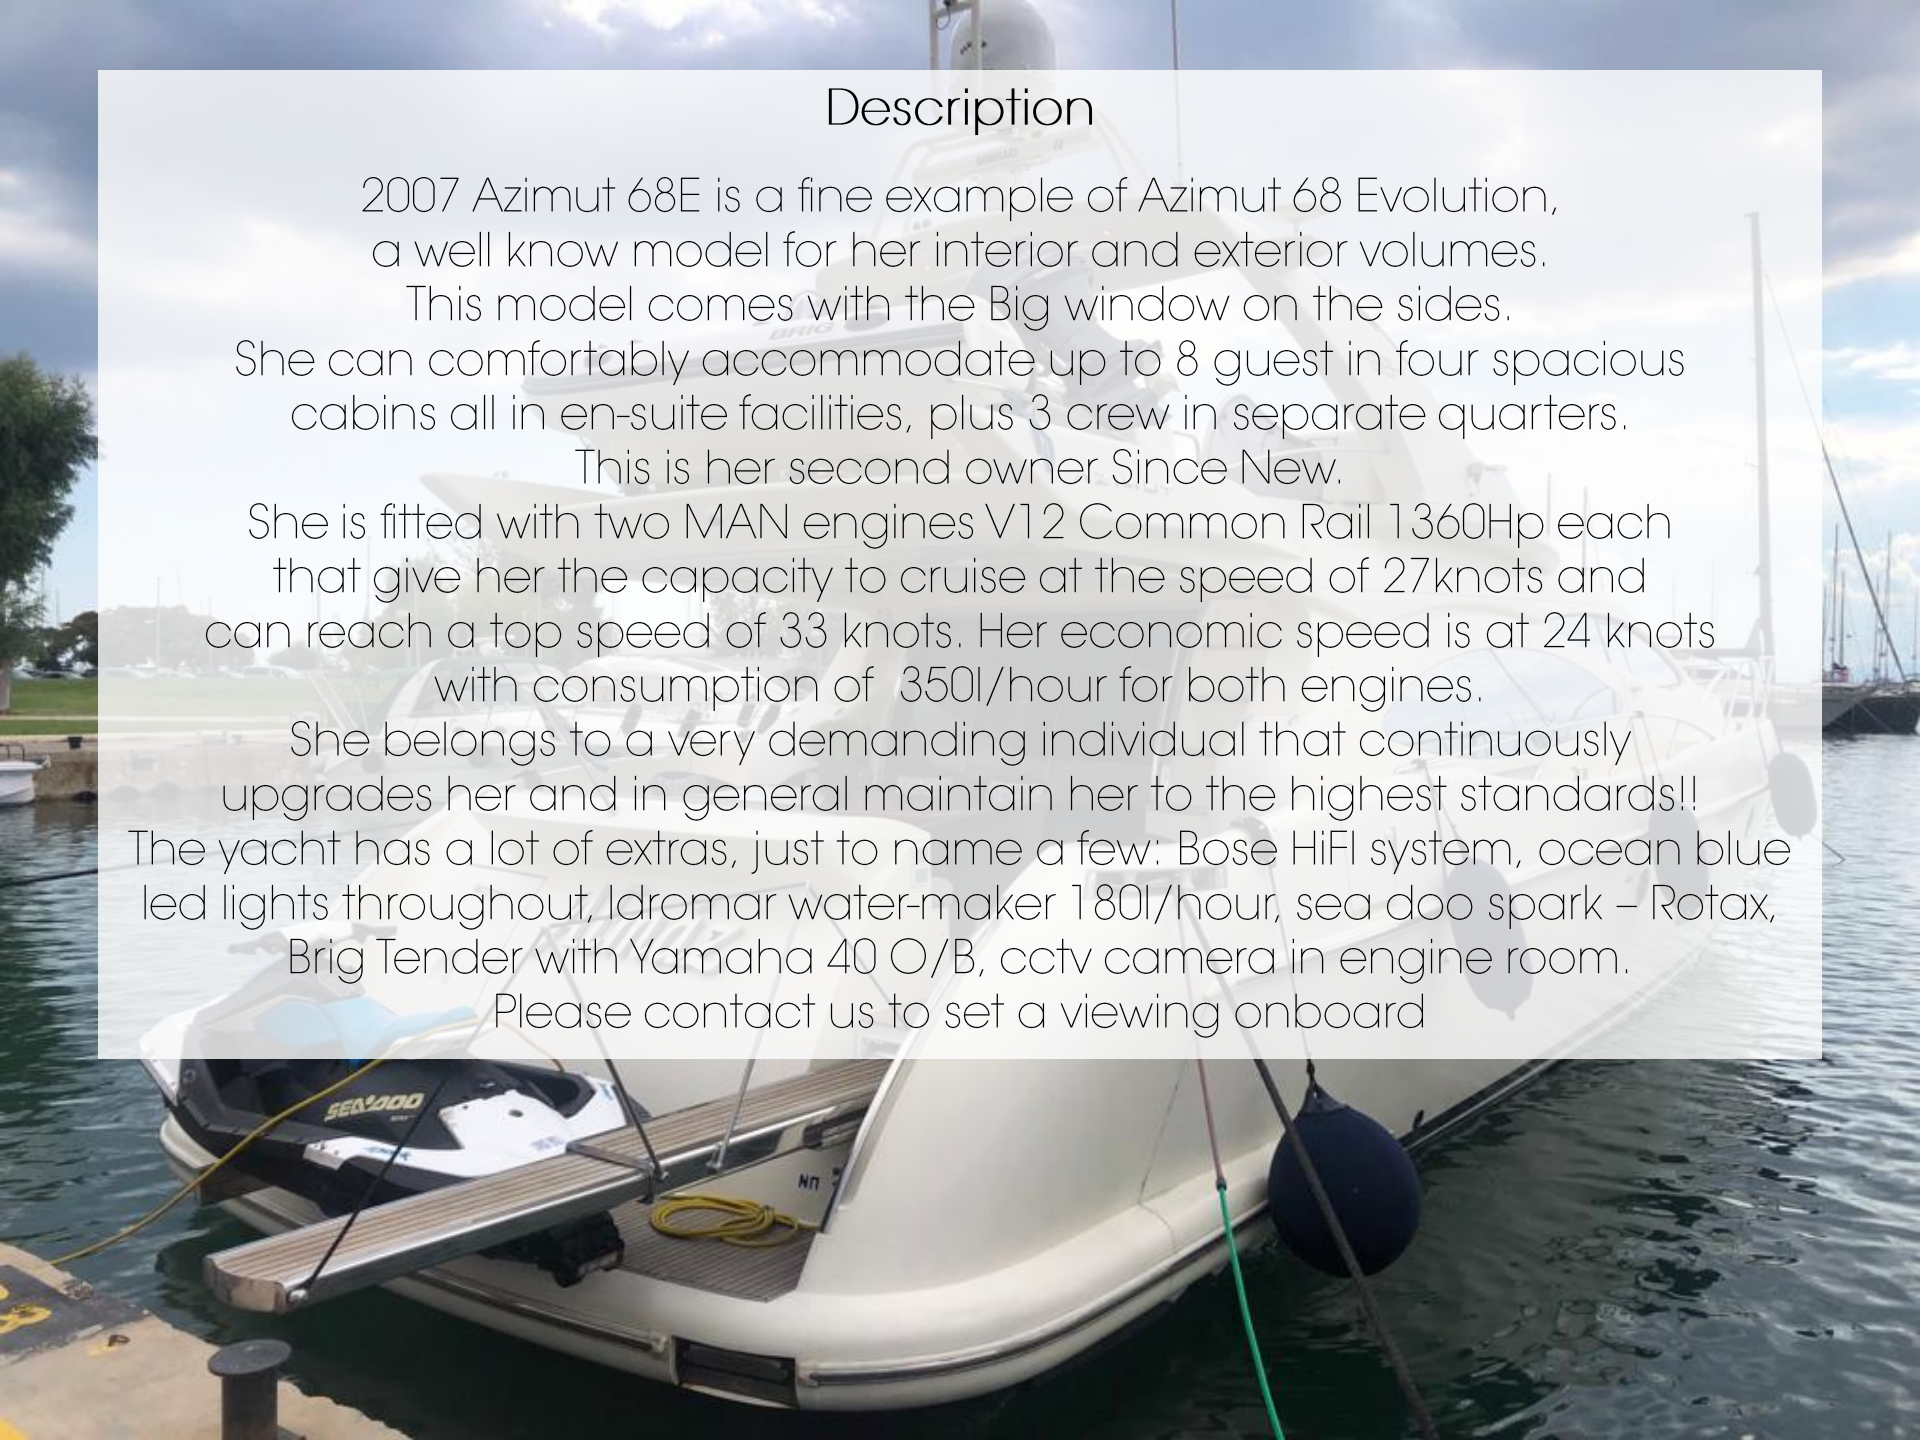

This is her second owner Since New.

She is fitted with two MAN engines V12 Common Rail 1360Hp each that give her the capacity to cruise at the speed of 27knots and can reach a top speed of 33 knots. Her economic speed is at 24 knots with consumption of 350l/hour for both engines.

She belongs to a very demanding individual that continuously upgrades her and in general maintain her to the highest standards!!

The yacht has a lot of extras, just to name a few: Bose HiFi system, ocean blue led lights throughout, Idromar water-maker 180l/hour, sea doo spark – Rotax, Brig Tender with Yamaha 40 O/B, cctv camera in engine room.
