# Entertainment & Communication

The Yacht is equipped with a High End audio system that is controlled by voice command or by tablets and smartphones. The audio system consists of 3 zones ( Living Room 5.1 Surround / Deck JL audio Stereo speakers / Flybridge JL audio premium speakers with a subwoofer). Efmara is ready to meet any occasion either it's a party or just some fun in the sun.

All the external areas of the yacht have RGB lighting and the living room as well. The yacht is ready to set the mood you're looking for, either ambient lighting on the water or a romantic vacation.

Every room on the yacht is equipped with a smart TV that is connected to a multimedia server offering over 2000 full HD and 4K movies and series and over 11000 songs.

LT Artificial intelligence voice command system connected to Google play music server is ready to answer any question or play any song.

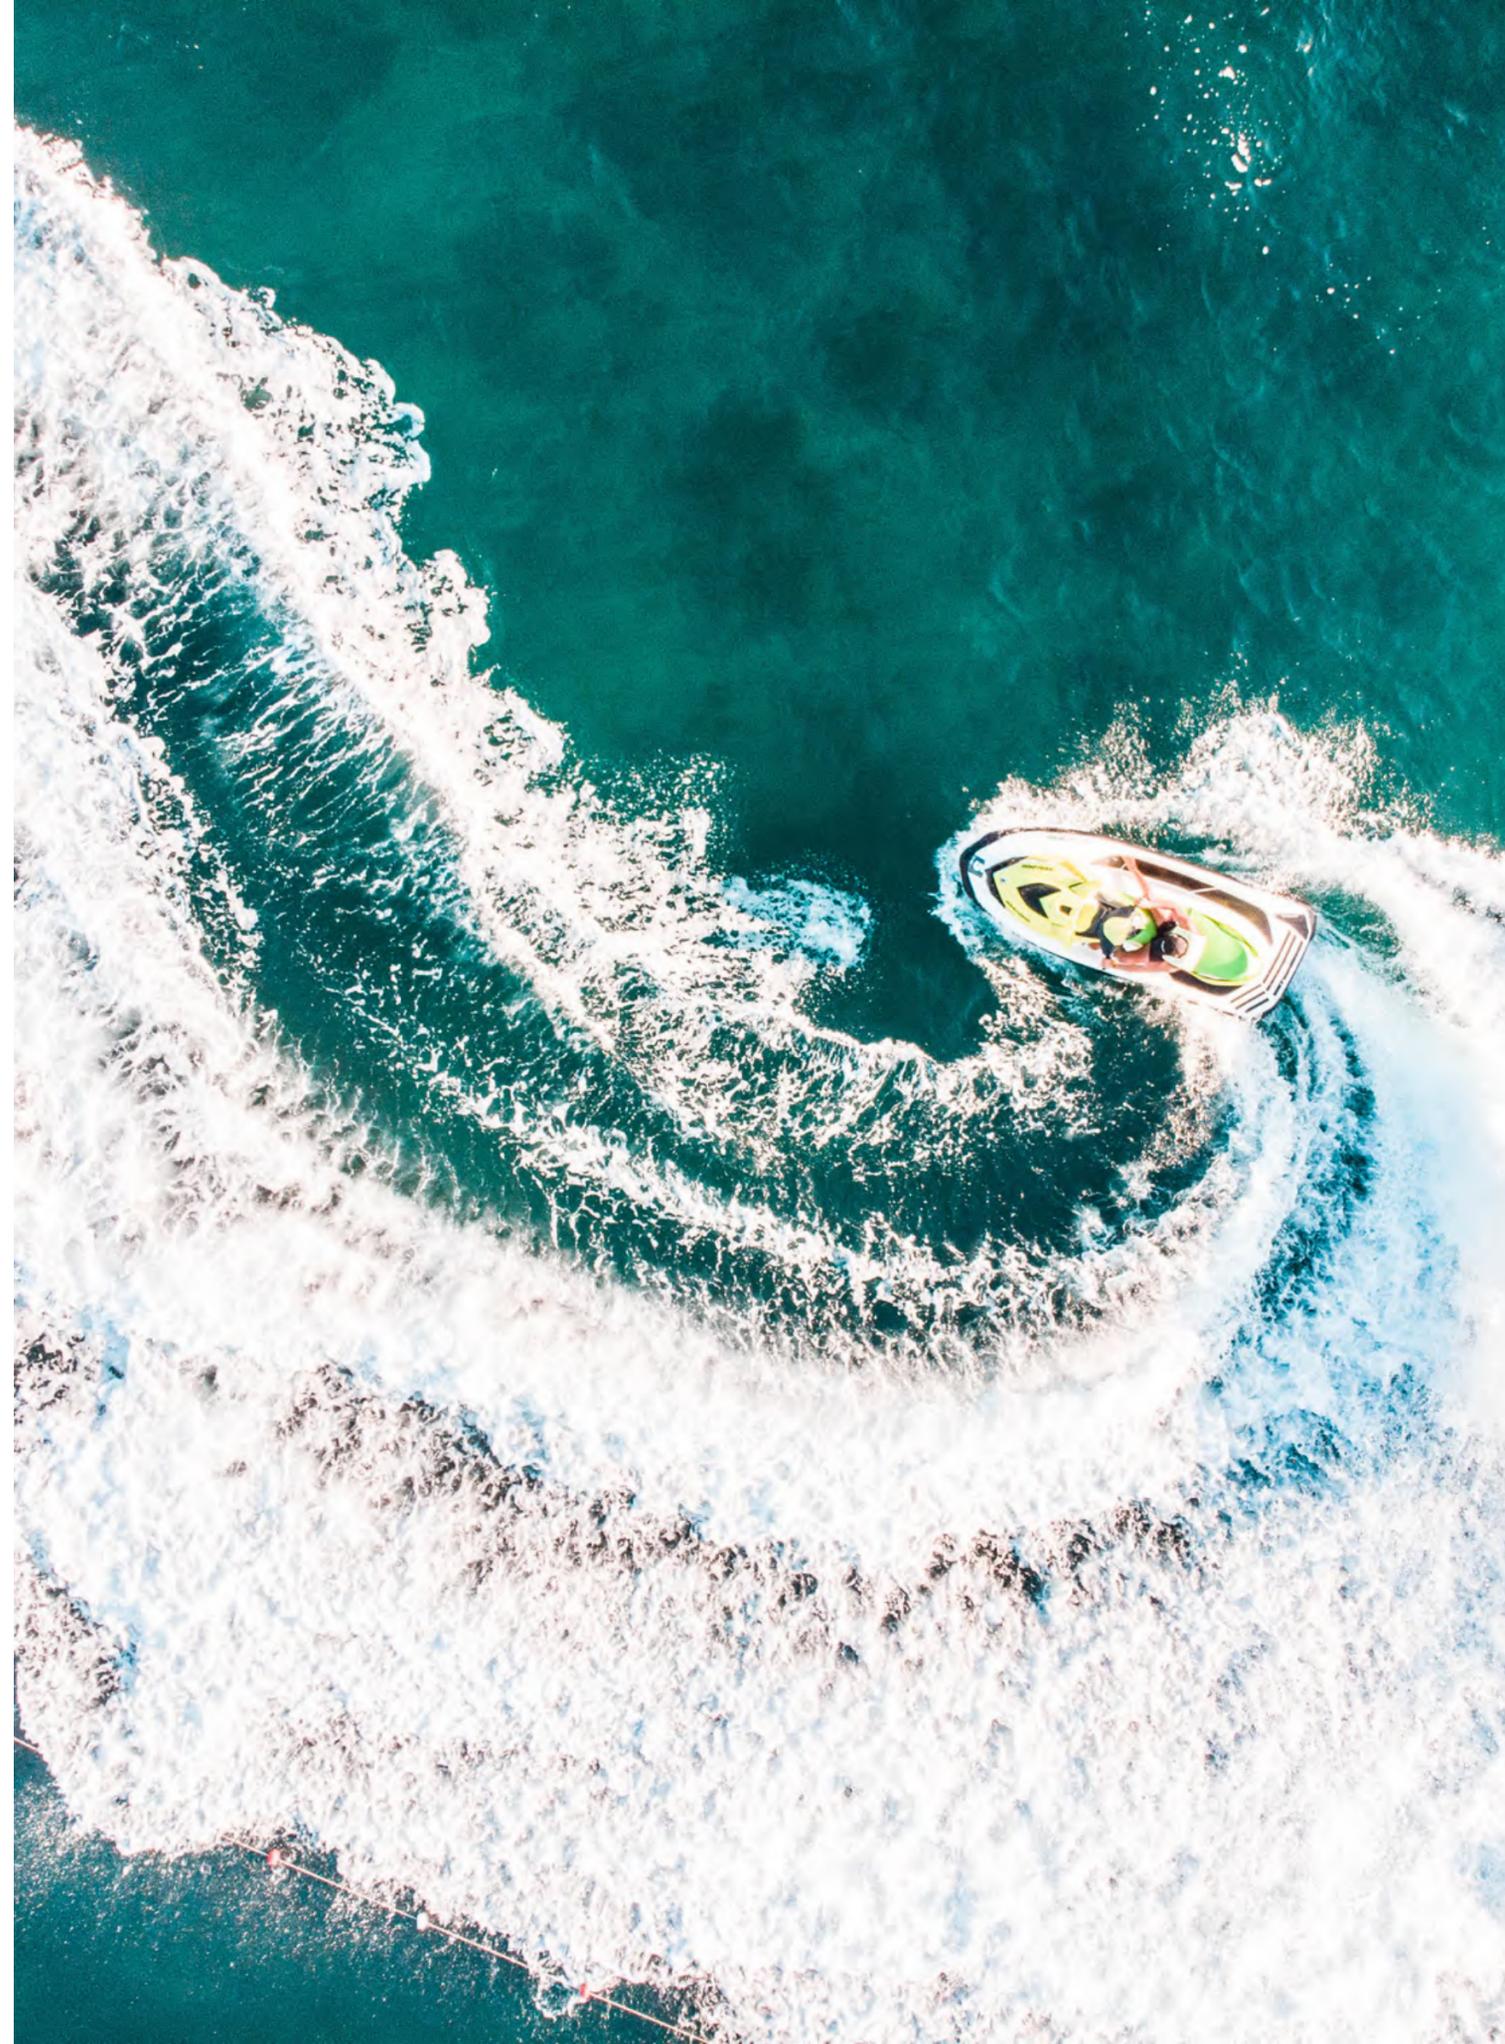

LT AI can also control the lighting of the Yacht.

Wifi internet connection with 4 access points covering the whole yacht area

Jacuzzi on the sundeck
