CAN'T REMEMBER • TECNOMAR 35.6M

## DESCRIPTION

M/Y CAN'T REMEMBER is a striking 35.6m Tecnomar known for her signature deep-green hull, sleek profile, and newly refreshed 2025 refit.

Designed for charter guests seeking comfort, style, and versatility, she combines high-performance cruising with a sophisticated interior and generous exterior living spaces.

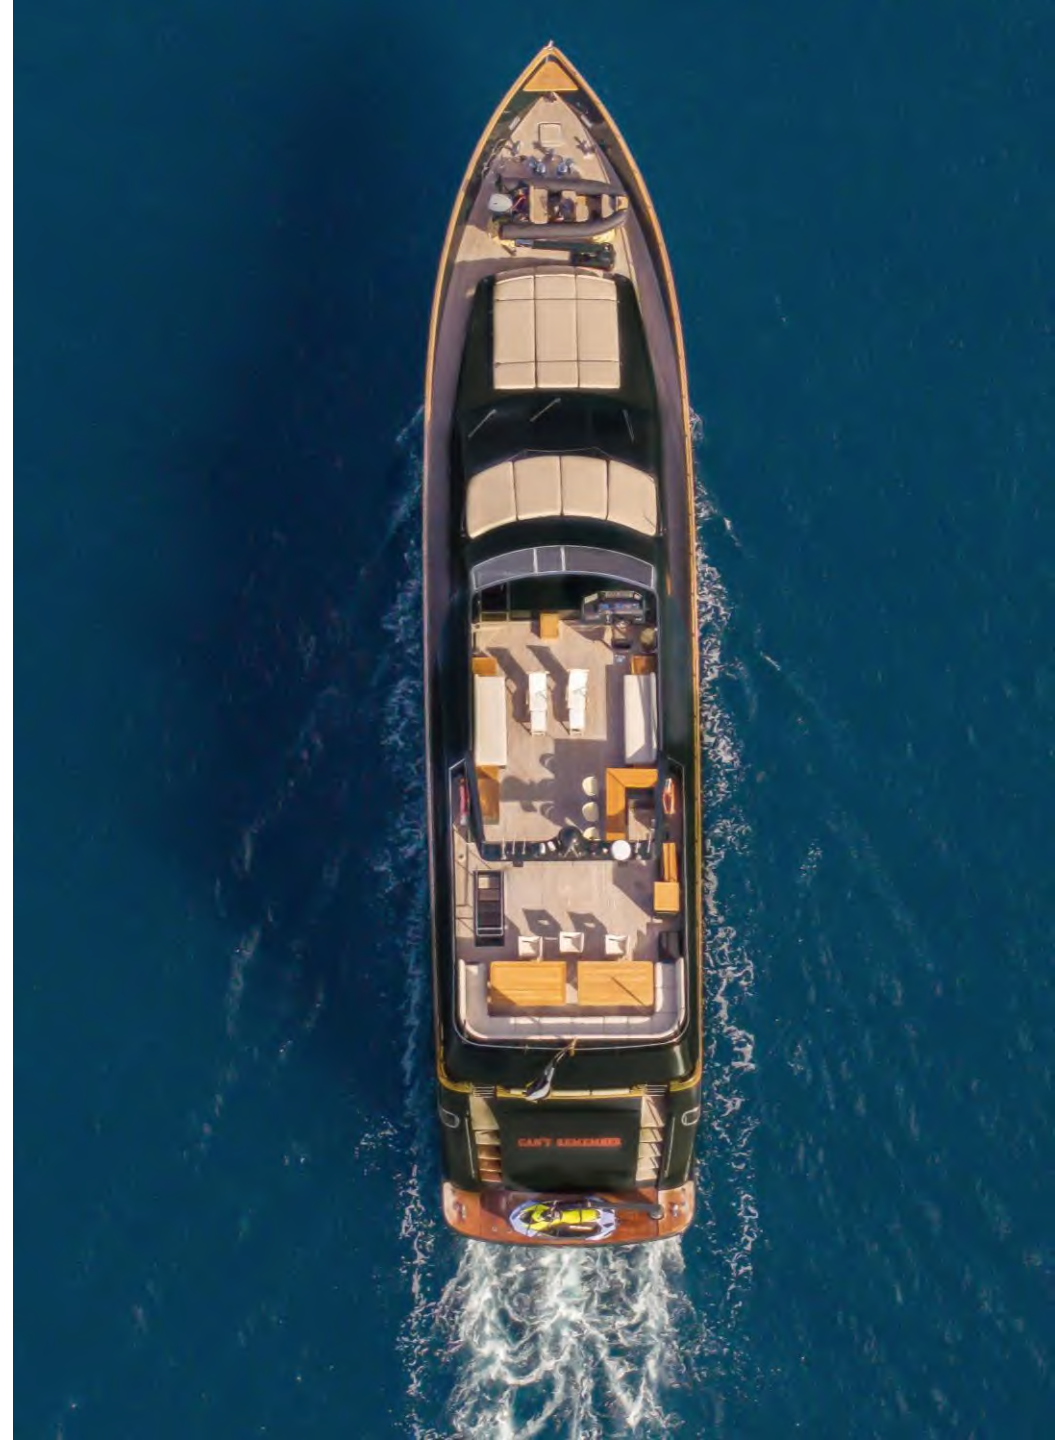

Her main salon features expansive windows, curated contemporary furnishings, and a bold black partition that separates the lounge from the dining area — delivering an elegant, light-filled environment for socializing and relaxation.

Accommodating up to 12 guests in six luxurious en-suite cabins, she offers one of the most flexible layouts in her category. Following a complete lower-deck redesign by Diarchon Architects, her accommodation now includes a Master suite, VIP cabin, two Convertible Double/Twin cabins each with a Pullman, one Convertible Twin with Pullman, and a Twin with bunk beds — an ideal arrangement for families or mixed groups.

With refined styling, upgraded amenities, and a professional crew of seven, Can't Remember ensures an elevated charter experience in the Greek islands.

## MAIN DECK

The main deck of M/Y Can't Remember offers an inviting blend of contemporary style and open, flowing spaces designed for both relaxation and social interaction. Large windows surround the salon, filling the interior with natural light and creating a bright, uplifting atmosphere throughout the day. The décor combines warm wood finishes with modern black accents — most notably the striking black partition that subtly separates the lounge and dining area — resulting in a sophisticated yet comfortable ambiance.

The salon features plush seating ideal for unwinding, socializing, or enjoying a film, while the formal dining area provides an elegant setting for meals prepared by the yacht's chef. The layout allows guests to move naturally from relaxing to dining without interruption, making the main deck ideal for gatherings, family moments, or evening cocktails.

Wide glass sliding doors open onto the aft deck, where alfresco dining and shaded seating extend the main deck living experience outdoors. This seamless connection between interior and exterior ensures guests can enjoy the sea breeze, panoramic views, and effortless access to the yacht's extended swimming platform. Whether guests are relaxing in the salon, dining inside or out, or stepping down to the water, the main deck provides a beautifully balanced environment tailored for charter comfort.

## LOWER DECK

The lower deck of M/Y Can't Remember has been entirely redesigned to maximize comfort, flexibility, and guest privacy, making it one of the most versatile accommodation layouts in her category. Completely reimaged by Diarchon Architects, the space now offers six fully en-suite cabins — a rare advantage for a 35m yacht — allowing her to welcome up to 12 guests comfortably and elegantly.

The Master cabin and VIP suite are positioned to provide generous volume, refined detailing, and serene atmospheres ideal for restful nights at sea. Warm materials, soft lighting, and carefully selected finishes create inviting retreats for principal guests seeking relaxation after long days in the sun.

The remaining four guest cabins have been ingeniously designed to deliver unparalleled adaptability for families or mixed groups. Two Double cabins convert seamlessly into Twin setups and each includes a Pullman berth, offering the flexibility to accommodate couples, children, or adults as needed. A Twin cabin also converts into a Double and features a Pullman, further expanding sleeping arrangements. The sixth cabin, with its modern bunk-bed configuration, is ideal for children or additional guests, ensuring every group composition is easily accommodated.

Each cabin benefits from its own en-suite bathroom, ample storage, and discreetly integrated amenities, ensuring a high level of comfort throughout the charter. This thoughtful, charter-focused configuration — combining privacy, adaptability, and stylish design — allows Can't Remember to stand out as an exceptional choice for groups of all sizes.

## EXTERIOR

The exterior of M/Y Can't Remember offers a variety of beautifully arranged spaces designed for open-air living, relaxation, and entertainment. On the aft deck, guests enjoy a comfortable alfresco dining area that flows seamlessly from the salon, creating an inviting setting for meals with sea views. Just steps below, the extended swimming platform provides a spacious waterside terrace, perfect for sunbathing close to the water or accessing the yacht's wide selection of water toys.

The sundeck stands out as one of the yacht's most impressive features. Fully refreshed, it offers generous lounge seating, a well-equipped bar, and large, inviting dining area, ideal for convivial gatherings, celebrations, or relaxed sunset dinners. Multiple seating zones ensure that guests can enjoy both shaded comfort and open-sky lounging throughout the day.

Forward, the bow lounge offers a serene retreat with expansive multi-level sunpads. This area is perfect for quiet moments, sunbathing, or enjoying the breeze while cruising between islands. Elevated and naturally private, it provides uninterrupted views and a calm escape from the busier social areas on board.

Altogether, Can't Remember's exterior spaces create a versatile and inviting environment for guests to enjoy the best of the outdoor charter lifestyle.
