PARSIFAL YACHTING

C-ROCK • TECNOMAR 30.50M

DESCRIPTION

M/Y C-ROCK is a sleek 30.50m Tecnomar motor yacht, combining impressive cruising performance with contemporary interiors and inviting outdoor spaces. Built in 2009 and refitted in 2026, she offers an appealing combination of style, comfort and versatility for chartering the Greek islands.

Her elegant interiors feature rich Zebrano wood finishes, neutral tones and abundant natural light, creating a warm and sophisticated atmosphere. The spacious main saloon and adjoining dining area provide welcoming settings for relaxation and entertaining.

Accommodating up to 12 guests in five cabins, including a Master suite, two VIP cabins and two Twin cabins, C-ROCK offers a comfortable arrangement for families and groups of friends.

Her generous exterior areas include an inviting aft deck for alfresco dining, a spacious sundeck with lounging and sunbathing areas, and a foredeck ideal for enjoying panoramic sea views.

With a cruising speed of 22 knots, an exciting selection of water toys and a dedicated crew of five, C-ROCK offers an exceptional charter experience throughout the Greek islands.

MAIN DECK

The main deck of M/Y C-ROCK offers a welcoming combination of contemporary interior design and comfortable outdoor living, with thoughtfully arranged spaces for relaxation, dining and entertaining.

Her elegant main saloon features distinctive Zebrano wood finishes, comfortable furnishings and a sophisticated palette of warm, neutral tones. Large windows allow natural light to fill the interior, enhancing the sense of space and creating a pleasant atmosphere throughout the day.

Adjacent to the saloon, the formal dining area provides an intimate setting for enjoying beautifully prepared meals in the comfort of the interior.

Sliding doors open onto the inviting aft deck, where a spacious dining arrangement offers the perfect setting for leisurely breakfasts, alfresco lunches and relaxed evening gatherings overlooking the sea.

With its harmonious blend of interior comfort and outdoor enjoyment, the main deck creates an attractive setting for spending time with family and friends.

DINING AREA

LOWER DECK

The lower deck of M/Y C-ROCK accommodates up to 12 guests in five beautifully appointed en-suite cabins, offering a versatile arrangement particularly well suited to families and groups of friends.

The Master suite features a King-size bed, warm wood finishes and a comfortable, welcoming atmosphere. Two additional VIP cabins, each furnished with a Queen-size bed, provide attractive accommodation for guests seeking privacy and relaxation.

Completing the arrangement are two Twin cabins, with additional Pullman berths allowing greater flexibility for larger charter parties and families travelling with children.

All five cabins feature private en-suite facilities, contemporary furnishings, elegant Zebrano wood detailing and refreshed bedding and linens following the yacht's 2026 refit.

Combining a practical five-cabin layout with inviting interiors, C-ROCK provides a comfortable retreat after a day spent exploring the Greek islands.

EXTERIOR

The exterior spaces of M/Y C-ROCK are designed for enjoying the Mediterranean lifestyle, offering a variety of inviting areas for alfresco dining, sunbathing and relaxation.

Her spacious sundeck is a highlight, featuring comfortable seating, a dining area and generous sunpads. Whether enjoying a leisurely lunch, relaxing in the sunshine or admiring the surrounding coastline, guests can make the most of this attractive outdoor setting.

The aft deck provides an additional alfresco dining area, ideal for relaxed meals and evening gatherings, while the foredeck offers a private sunbathing space with uninterrupted views of the sea.

For guests who enjoy spending time on the water, C-ROCK carries a selection of water toys, including a Sea-Doo Jet Ski, Seabob F9, two stand-up paddleboards and towable equipment. A swimming platform provides convenient access to the sea.

With her sleek profile, versatile outdoor spaces and impressive cruising speed of 22 knots, C-ROCK is perfectly suited for exploring the Greek islands in comfort and style.
